Online Course

You want a flexible learning method with bite-sized material (micro-learning) that you can access anytime and anywhere as long as you have internet connection? Use our online course service to get what you need!

Our Services

Module Development

We can create a learning module tailored specially for you if you want to have a module that can be delivered by your own trainers or if you want to put the module into you learning management system.

Assessment

Our approach is supported by assessment that can give you a deeper understanding towards the issue you are facing or the people in the program as participants. This assessment result can help you determining your future action plan.

Our Approach

Interactive, engaging, fun, and insightful learning process

Informing

Only sharing data and concepts

Engaging

Involving participants in practical discussion through co-creating

We Engage

We do not just inform and share knowledge. Content is carefully designed to be able to engage participants through practical discussions and insightful activities.

Facilitators act as discussion partners that are focused on helping participants to shape their mindset, implement change and overcome their concerns & challenges.

The discussion is contextualized based on participant, function, organization and industry to strengthen relevancy and practicality of insights gained by participants.

We Contextualize

Testimonials

Mitra Perjalanan Organisasi

Daily Meaning itu mitra perjalanan organisasi kami dalam berproses dan bertransformasi untuk terus menjadi lebih baik. Daily Meaning mendesign program pengembangan karyawan yang dirancang sedemikian rupa sehingga fit/sesuai dengan budaya organisasi. Menggali dari keunikan dan keadaan organisasi itu sendiri, dipetakan, diolah dan dikemas kembali secara istimewa melalui Paket Pelatihan. Semoga Daily Meaning dapat terus menjadi teman seperjalanan kami.

Agnes Murniati - Human Resources Management RS Premier Jatinegara

Effective & Engaging Workshop

I would like to say 'proficiat' to the Daily Meaning team because you can make each and every trainee believe in every word and advice you give. There were no trainee complaints for this training. By knowing the background of each participant's job description, the training feels much more 'effective'. Since there is a small age gap between the trainer and the trainee, the trainees felt like they are engaging in a discussion with a friend. Daily Meaning is excellent, keep up the good work and do evolve constantly.

Eddy Anthony - President Director Mastersystem Infotama

How to Value Life

How to value our life, to get it done, work related relation or love relationship, those are only few of our meaningful and precious life. Daily Meaning gives ideas and inspirations how to enjoy life productively and of course peacefully with a big happy smile. Keep up the great work and inspirations.

Tommy Tjokro - Anchor/Journalist Metro TV

Daily Meaning Brings the Real Meaning in Essence

Sometimes our intention is lost in translation, Daily Meaning untangles the unnecessary complexities and brings the real meaning in essence

Svida Alisjahbana - CEO Femina Group Mother of JoJo and Giri

Interaktif, Efektif, Profesional, Terbukti

Mulanya saya mengira metode pengajaran yang akan digunakan Daily Meaning akan sama dengan metode yg digunakan konsultan SDM pada umumnya. Namun saya mulai merasakan kesan yang berbeda saat berdiskusi dengan Tim Daily Meaning saat akan menyusun materi pelatihan. Kesan tersebut semakin kuat saat mengamati jalannya pelatihan. Interaktif, efektif & profesional. Saya sudah lama mengenal Mas Alex, namun bukan berarti saya percaya begitu saja dengan produk yg akan dijual kepada saya. Secara profesional Mas Alex & Tim Daily Meaning telah membuktikan kepada saya bahwa mereka memang memberikan sesuatu yg berbeda. "Daily Meaning serves you more than just ordinary daily bread".

D. Hari Pratama - *Kadiv Pengembangan Usaha Lain* PT Jasa Marga (Persero) Tbk

- Participants are able to develop their team more optimally
- Participants are able to create a winning culture and high-performing team

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Becoming an Inclusive Leader

Concern:

- Diversity, equity, and inclusion (DEI) are growing to be one of the main focuses to be developed in companies around the world
- Lack of knowledge regarding DEI
- Generations and variety of workforce are becoming more diverse
- Lack of sense belonging in the team
- Lack of understanding and application of respectful workplace behaviors

Targeted Outcome:

- Participants have the knowledge, mindset and skills to optimize DEI
- Participants will be able to practice inclusive communication and behaviors
- Participants will be able to increase sense of belonging in the team
- Participants can manage diverse workforce in the team and get advantage from the diversity
- Participants can create a positive work environment with psychological safety

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Impactful Coaching

Concern:

- Leaders who are not able to develop their team's performance
- Lack of healthy coaching and learning culture in the team
- Leaders who need to develop high performers in their team to as potential successor
- Leaders who need to develop low performers in their team

Targeted Outcome:

- Participants are able to understand their role and mindset as a coach
- Participants are able to build positive partnership with their coachee
- Participants are able to communicate effectively in the coaching process
- Participants are able to develop their team/coachee using coaching framework

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Impactful Mentoring

Concern:

- Need to prepare future successors of current leaders
- Need to guide key talent, such as management trainees, to build their career and become effective professionals

Targeted Outcome:

- Participants are able to understand their key roles and responsibilities as a mentor
- Participants are able to co-create mentoring discussions effectively with their mentees
- Participants are able to maintain positive and professional partnership with mentees during the mentoring relationship
- Participants are able to inspire mentees to take ownership of their career growth

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

High Impact Communication

Concern:

- Inability to engage stakeholders (internal and/or external) to act, give support, etc
- Frequent miscommunication and misperception
- Communication that does not result in clear action or impact
- Inability to communicate clearly and effectively

Targeted Outcome:

- Participants are able to communicate as a business partner who can understand their stakeholder's needs and point of view
- Participants are able to create mutual partnership by engaging their audience
- Participants are able to communicate more clearly and effectively to create impact

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Managing Difficult Conversations

Concern:

- Leaders who are not able to deliver unpleasant news to their team properly
- Leaders who tend to sugarcoat or avoid giving critical feedback for their team
- Leaders who have difficulty performing difficult conversations with their team

Targeted Outcome:

- Participants are able to balance between directive and caring communication
- Participants are able to frame their difficult conversations with a clear anchor
- Participants are able to structure their key message to be received effectively and positively

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Powerful Presentation

Concern:

- Presentations that do not create impactful action or reaction from stakeholders
- Presentations lack in insights that can change stakeholders' perspective
- Presentations feel like a waste of time that can be replaced by reports
- Confusing and/or boring presentations

Targeted Outcome:

- Participants are able to present themselves as a business partner
- Participants are able to feel and look confident when giving presentations
- Participants are able to give actionable insights by utilizing data, narrative, and visuals
- Participants are able to engage and convince stakeholders

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Engaging Business Storytelling

Concern:

- Employees that have participated in Powerful Presentation workshop and need to further strengthen their presentation skills
- Employees that need to pitch ideas, innovations, or new products to stakeholders through storytelling
- Many individuals fail to grasp the significance of storytelling in business

Targeted Outcome:

- Participants can understand and implement storytelling in business context
- Participants are able to create compelling storyboard for their business presentations
- Participants are able to implement elements of powerful story in their business presentations
- Participants will learn how to structure their stories effectively, including the use of characters, conflict, and resolution

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Impactful Report Writing

Concern:

- Reports that only contain raw data without impactful analysis or insights
- Reports without written recommendations and executive summary
- Employees have difficulty in finding insights from report data

Targeted Outcome:

- Participants can deliver more impactful reports for stakeholders
- Participants are able to use insight-driven approach to analyze data for their reports
- Participants are able to write effective executive summaries
- Participants are able to narrate their report in a logical and structured manner

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Effective Negotiation

Concern:

- Lack of ability to negotiate properly
- Lack of ability to understand the counterparty's standing point, concern, and needs in a negotiation
- Lack of ability to build trust and partnership in a negotiation

Targeted Outcome:

- Participants understand the fundamental aspects in negotiation
- Participants understand how to prepare properly for a negotiation
- Participants are able to cultivate trust in negotiation
- Participants are able to optimize bargaining strategy in negotiation

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Engaging Facilitation

Concern:

- Internal company trainers that need refreshment to maintain/improve their facilitation skills
- Internal experts within the company that master technical skills and knowledge but lack experience in facilitating in-class (offline or online) learning

Targeted Outcome:

- Participants are able to engage their facilitation audience
- Participants are able to involve their audience in the session using co-creating methods
- Participants are able to facilitate two-way insightful discussion with participants

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Strategic Planning and Organizing

Concern:

- New company vision or strategy that needs to be transformed into actionable plans by leaders
- Individual contributors and leaders that need to lead projects

Targeted Outcome:

- Participants are able to formulate a strategic plan which is effective, on point, and impactful
- Participants are able to organize the team to execute the plan optimally
- Participants are able to monitor the implementation and the impact of the plan

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Accelerating Innovation

Concern:

- VUCA environment which forces constant need to adapt and change
- Need to develop new product or create internal breakthrough
- Increased market competitiveness
- Irreversible changes in customer needs, behaviors, and demands which needs to be responded with innovation

Targeted Outcome:

- Participants will become more changeresilient professionals that are capable of embracing uncertainty
- Participants are able to leverage the opportunities of change and contribute towards improving business performance
- Participants are able to seek fresh ideas, identify pain points that need to be solved, and implement innovation

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Mastering Business Acumen

Concern:

- Middle managers or senior leaders that need to maintain and create business growth
- Lack of shared understanding towards the current and future business challenges
- Leaders in supporting functions who focus on achieving their own targets without considering the impact on business growth

Targeted Outcome:

- Participants are able to understand the bigger picture of business, especially as leaders
- Participants will have a wider view to really understand what needs to be done to give the most impact on business
- Participants are able to create the right strategy to deal with business challenges

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Optimizing Business Strategy and Process

Concern:

- Lack of alignment between business strateav-process and business taraet
- Being trapped doing 'business as usual' or 'outdated ways of work', therefore unable to respond and adapt to changes

Targeted Outcome:

- Participants will be able to re-align and sharpen their business strategy-process to address business target
- Participants will be able to identify room for improvement for the business strategy-process based on pain points and opportunity
- Participants will be able to generate business process optimization initiatives strategically

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Change Management

Culture and Values Implementation

Concern:

- Resistance to implementation due to lack of sense of urgency and importance regarding the culture and values
- Employees perceive the culture and values implementation merely as 'additional' tasks and management agenda instead of things that matter for them and business.
- Lack of commitment to the culture and values

Targeted Outcome:

- Participants will have stronger sense of urgency and importance to implement the culture and values
- Participants will perceive the culture and values as something beneficial for them by addressing their real concerns and problems at work ('what's in it for me?')
- Participants will be engaged to implement culture and values in their daily work

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Change Management

Becoming an Impactful Change Agent

Concern:

- Lack of awareness and urgency to change in the middle of organizational change from employees
- Selected employees assigned to be the change agents are not ready to perform their role
- Challenges in engaging employees to proactively respond the change in the organization

Targeted Outcome:

- Participants will be ready to be change agents
- Participants will have the right mindset and motivation as change agents
- Participants will be able to engage other employees to respond the change proactively
- Change management can be done with less resistant from the employees

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Change Management

Leading Change

Concern:

- Leaders who need to lead their team through major organizational changes
- Changes in way of working
- Leaders who have difficulty in getting buy-in and involvement from team and stakeholders regarding the change

Targeted Outcome:

- Participants are able to prepare their team and organization to embrace and see change as growth opportunities
- Participants are able to lead their team to thrive during change
- Able to initiate, implement, and sustain organizational change

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Sharpening Analytical Thinking

Concern:

- Lack of insights even though data is abundant.
 This phenomenon can be found in presentations, reports, and daily communication processes
- Staffs in analytical roles that have not fulfilled their role optimally
- Leaders that need to do analysis with wider perspective

Targeted Outcome:

- Participants are able to understand and strengthen analytical thinking
- Participants understand how to collect, gather, and analyze information/data
- Participants are able to master critical aspects of analytical thinking
- Participants are able to enhance the quality of their delivered insights

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Strengthening Strategic Thinking

Concern:

- Leaders that need to make strategic business decisions, especially in fast-paced and uncertain business environment
- Leaders that are too focused on short-term thinking and need to practice seeing the bigger picture
- Leaders that need to create an organization-aligned strategy for their department or team

Targeted Outcome:

- Participants are able to shift perspectives to see bigger picture without losing critical details in analyzing data
- Participants are able to think several steps ahead to plan for future success
- Participants are able to see correlations across various contexts to anticipate issues or opportunities

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Problem Solving and Decision Making

Concern:

- Lack of ability in articulating problems clearly or finding root causes
- Lack of ability to solve problems effectively, especially under pressure
- Employees that are overly dependent on their leaders to make decisions
- Leaders that are indecisive or too hasty in making decisions

Targeted Outcome:

- Participants are able to to implement the right mindset and attitude to solve problems and make decisions
- Participants are able to formulate problems, analyze problems, and generate alternative solutions when doing problem solving
- Participants are able to perform good and smart decision making processes to get the most impactful decision

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Implementing Digital Mindset

Concern:

- Employees that are unaware of digital innovations that are happening
- Low adoption rate of new digital tools in the company caused by low willingness from employees to change or innovate
- Employees that are stuck in the comfort zone of working manually

Targeted Outcome:

- Participants are able to understand key attitudes that are critical in adopting digital mindset
- Participants are able to handle challenges in strengthening digital mindset
- Participants are able to create progress by implementing digital mindset

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Management

Managing Emotional Intelligence

Concern:

- Lack of ability to manage stress and emotion, especially when dealing with stressful situations or difficult people
- Lack of ability to act professionally and deliver optimal performance under a lot of pressure

Targeted Outcome:

- Participants are able to manage their mind and emotion in order to deal with stressful situations or difficult people
- Participants are able to interact and build relationship positively with their colleague
- Participants can maintain professionalism and deliver optimal performance under a lot of pressure or challenging situations

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Improving Well-Being

Concern:

- High workload that leads to increased level of burnout in employees
- Increased uncertainty due to internal company factors or external factors
- Change fatigue
- Feeling demotivated

Targeted Outcome:

- Participants are able to implement the right mindset and attitude in maintaining their well-being
- Participants are able to stay healthy and happy while maintaining their optimal performance at work

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Boosting Personal Productivity

Concern:

- Employees with long working hours and unproductive work results
- Employees that have to manage various tasks
- Employees that have difficulty managing their priority

Targeted Outcome:

- Participants are able to manage their energy to perform all work activities optimally
- Participants are able to manage their attention to focus on activity that matters most
- Participants are able to find and implement a better way of work to increase productivity

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Enhancing Agility and Future-Readiness

Concern:

- VUCA business environment
- High pace of changes in business direction
- Low awareness of the need to continuously upskill and reskill

Targeted Outcome:

- Participants are able to overcome challenges and uncertainty with positive mindset
- Participants are able to be agile and versatile in dealing with changes and challenges
- Participants are aware of their skill/knowledge/experience gap and willing to develop themselves

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Becoming a Proactive Learner to Optimize Individual Development Plan

Concern:

- Lack of awareness and excitement from employees in utilizing individual development plan optimally
- Lack of motivation to develop personal growth

Targeted Outcome:

- Participants have the right mindset regarding personal growth
- Participants understand what it means for them so they want to utilize individual development plan optimally
- Participants will be eager to **develop themselves proactively**

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Experience

Customer Experience

Implementing Customer Centricity

Concern:

- Poor performance in customer experience for external and/or internal customers
- Increased or consistent complaints from customers
- Lack of collaboration between frontliners and supporting teams, which negatively impacts customer experience

Targeted Outcome:

- Participants are able to implement customer-centric mindset and attitude
- Participants are able to give the best customer experience through outstanding service
- Participants are able to create a comprehensive end-to-end customer experience through collaboration

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

Customer Experience

Leading Customer Centricity

Concern:

- Poor performance in customer experience for external and/or internal customers
- Increased or consistent complaints from customers
- Lack of collaboration between frontliner team and supporting teams, which negatively impact customer experience
- Need to create new initiatives to improve their team's service quality

Targeted Outcome:

- Participants are able to implement customer-centric mindset and attitude
- Participants are able to lead their team to give the best customer experience through outstanding service and continuous progress
- Participants are able to lead their team to have a comprehensive end-to-end customer experience and collaborate optimally

- Content of the program will be customized based on your needs and context
- Delivery method, duration, and quantity of participants are open to discussion

coleboration

Collaboration

Fostering Effective Collaboration

Concern:

- Silo teams that work independently without consulting each other
- Ineffective collaboration or frequent conflicts between a team and its stakeholders
- Challenging collaboration due to hybrid work
- Lack of trust between employees
